Subject: Poster

Valerie,

Please put this together into a poster for me. This will be presented at ASHRAE in January.

The poster size can be up to 8' wide by 4' high. It can be smaller than this. But the poster will also be evaluated on appearance. We may need to discuss the layout as you are working on it.
But as you are aware the title and authors goes at the very top. slides #27 go together; 8-19 go together; then conclusion.

Let's discuss. Thanks.
